

## Admissions to Tudor Lodge Therapeutic School

### Creating a brighter future

We are an independent day Therapeutic School situated in rural Lincolnshire, for pupils aged 7 to 16, with a wide range of learning needs. Our pupils have an Educational Health Care Plan (EHCP) and require additional support; academically, socially and/or emotionally.

Our School provides a person-centred environment that supports the fundamental steps of development. These encompass academic support, emotional wellbeing and the development of social interactions.

Once the relevant Local Authority has referred a child to Tudor Lodge the school will make provisions for:

- 1) The parent or guardian to have an informal visit around the school and discussion with members of the Senior Leadership Team.
- 2) A second visit will be arranged and involve the pupil meeting the staff, their peer group and looking at the facilities we offer.

Once the relevant Local Authority has approved the placement the school will work with all relevant parties to ensure that transition is smooth and bespoke to suit the needs of each individual child.

If you need any further support with the admissions process then please do not hesitate to contact us.
